*Note: All equipment must be water compatible.*

**CURRENTLY USED BY**

Currently used by many OEMs, including:

- Altec Industries
- Chrysler
- John Deere
- Jaguar
- Freightliner
- Volkswagen
- Ford
- AGCO
- Daimler Truck
- Honda
- Bobcat
- GM
- JLG
- CASE Corporation

**OTHER PRODUCTS AVAILABLE**

- 6028 (Clear) Truck Coating
- 6228 (Black) Truck Coating
- Kwik Kleen Locomotive Degreaser

**PACKAGING**

**CONVENTIONAL SPRAY GUN**

- Gas Powered Air Compressor
- Air Hose / Fluid Hose
- HVLP Spray Gun
- Cart Mounted (using wall mounted pump)
- Wall Mounted

**PAIL MOUNTED OUTFIT**

Consists of pail mounted pump, conventional spray gun, air hose, inlet air regulator, 5 gallon pail and fluid siphon tube.

**WALL MOUNTED OUTFIT**

Consists of wall mounted pump, conventional spray gun, air hose, inlet air regulator, and fluid siphon hose.
KATS Coatings® is an ISO 9001:2000, TS 16949 and ISO 14001 certified manufacturer and worldwide distributor of water based, environmentally friendly, fast drying permanent and temporary coatings, cleaners and removers. Our complete line of water based protective coatings includes products for the automotive, trucking, industrial, mining, construction, railroad, agricultural, aerospace, RV and manufacturing assembly industries.

For over 20 years, KATS Coatings® has maintained its reputation for quality products and attention to customer satisfaction.
